25/11/2025

Sales Order : 251818 Gilvary 1

## Notes

1. Please supply the following 4 x PFI Roof blinds.
2. Due to length and width limitation on blind 4...to achieve 2470mm length please split the blinds in a 70 : 30 ratio.  
\* No permanent bar at split point.
3. Small overlap on one moving rail where blinds meet to cover light gap.
4. Small blind stop inside each PFI frame to ensure all blinds always align.  
Finished frame sizes given – screw fix inside recess fit.
5. Fabric Palma Dawn 7416.
6. Frames powder coat / paint to Farrow and Ball London Stone No.6.
7. 4 x Power supplies : External Li-ion Battery Pack.
8. 4 x Power supplies : Solar Panel Li-ion.
9. Handset Telis 16 white.
