CUSTOMER RESPONSIBILITY	I understand and agree that my order cannot be amended once my order goes to manufacture. I understand and agree that there will be no structural or cosmetic works undertaken around the specified window areas for my plantation shutters, including the replacement of windows and frames, tiling and plastering of the property as this could compromise installation. I understand and agree with the above window design and layout choices and confirm that my balance is payable in full upon installation. In the event of a discrepancy / incomplete works, I understand and agree that only 50% payment of the particular discrepancy / incomplete works may be withheld. This is at the discretion of Perfect Shutters.
