CUSTOMER RESPONSIBILITY
I understand and agree that my order cannot be amended once my order goes to manufacture.
I understand and agree that there will be no structural or cosmetic work undertaken around the specified window areas for my plantations shutters, including the replacement of windows and frames, tiling and plastering of the property as this could compromise installation.
I understand and agree with the above window design and layout choices, with the understanding that my labour is payable in full upon installation.
In the event of a discrepancy in complete works, I understand and agree that only 50% payment of the purchase price of the complete works may be withheld.
