Dear Mark and Sue

Apologies for my delay coming back with our quotation for your awning, our price is as follows:

Supply & Install 1x Motorised Cassette Awning with LED lights and heaters.

Motorised Awning, Inc. Vibration Sensor - £2950

LED & Heat Bar - £1500

On/off switch - £650

Prices above are plus vat

Gross Total Inc. Vat £ 6120

There is an option to have the LED & Heat Bar with dimmer switch - this would be an additional £1300 + vat.

If I can be of any further assistance please feel free to contact myself or Paul direct.

Many thanks and best regards

Michelle
