Hi Katerina,

Please find attached your brochure for our new B-Box Duo Roller blind system with Chain control.

We have calculated your price to be
@ £6,995+vat for all of your blinds with double fabric (blackout & screen) and to have sideguides for guiding of
blackout fabric.

We have also included in Bed 1 to be Box65 with blackout and guides, plus an additional Screen roller blind to match
the rest of your apartment but will allow your inward opening window to still function Ok.

Full Survey, Delivery and Installation @£395.

Please feel free to call me to discuss in more detail and we can provide a more detailed quotation if you would like
to see individual room / blind prices (but I just want to send over who budget cost to help asap)..

Feel free to visit our new showroom as there are many displays now in show there and hope you will be impressed !

Best regards,

Paul.
