OUR SHUTTER SERVICE - FROM START TO FINISH

Once you've paid your deposit, our shutter specialists will take care of everything, from final measure and manufacture to shutter installation.

Expert Measure and Design

We'll arrange for our technical Surveyor to visit your home to take final measurements and confirm final design details.

Shutters Crafted to Perfection

Your shutters will be manufactured at the world's foremost shutter production facility and quality checked with a 45-point Inspection.

Beautiful and Built to Last

Once your shutters are ready, our trained installers will fit them in your home. Perfect Shutters come with a 10-Year Guarantee.

LOCAL FAMILY BUSINESS ESTABLISHED 1994

Perfect Shutters is local family business and the North West's most trusted shutter specialist. **We have 30 years of expertise and have installed over 60,000 shutters in local homes.** The difference between Perfect Shutters and other shutters becomes really clear when you look at our track record and read our 5 Star Trustpilot reviews.
