Bay Window Dimensions

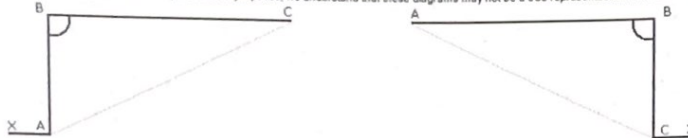

Please add your dimensions under the appropriate diagram, then save the completed form to your computer. To attach this form to your order, please select the "Browse" facility for option 2 to locate the file. We have included the most common bay window shapes on this form. If your bay window does not correspond with any of the below options, please attach your own diagram using option 2.

If you require assistance, please email sales@hallishudson.com or call 01772 202202 - We are happy to help.

Single internal bend, with or without return

These diagrams are for representation purposes, we understand that these diagrams may not be a true representation of the actual shape of your bay

It is not necessary to supply both angles and diagonals, although supplying both does provide a good cross check
