---

**Total amount****311.48 GBP****Important: Order approval only after receipt of payment**

The mentioned approximate production times refer to an automatically calculated production period, which assumes a regular production flow and a functioning supply chain. We cannot rule out the effects and possible delays in delivery caused by the Corona pandemic as well as the rapid decrease in the availability of raw materials and components. We are doing everything in our power to maintain the regular production process and supply chain.
