FAO Nicola Fountain

Ref: **Trinity Academy**, Craighall Avenue, Edinburgh, Rooms B34 and B36

Dear Ms Fountain

Further to our recent visit to the above site to assess the repairs required to the existing 50mm venetian blinds. The blinds require new ladder webbing and operational lift and tilt cords. The current blinds do not meet the blind safety regulations and a cord safety device must be fitted which releases when a load exceeding 6 kilograms is applied and this would mean the blinds could not be raised without the safety device activating and releasing the cords from the blinds. We are therefore submitting our quotation to supply and install 10 nr new venetian blinds in the 50mm white slatting with mono control crank operation.

Total Cost £3,828.30 plus VAT

We hope the above cost meets with your approval and look forward to hearing from you at your earliest convenience.

Assuring you of our best service at all times.

Yours Sincerely

Stephen Boyce
Contracts Manager
