Hi Allison,

Am I too late to just order x3 kitchen blinds in Willow asc lagoon and hope that 20m stock still available?

I have new paint colours in kitchen and new splashback tiled.....both look great with material sample!

Kind regards  
Sharon

Hi Allison,

I would like to go ahead and order the following roller blinds as per discussed yesterday. With regards to the 3 kitchen blinds, I am happy to wait for launch of new 2020 fabric book in January and can pop down in New Year to choose fabric as well as for the bathroom I missed out!

I have given rooms our new names but want to cross reference them with Stephen's original visit as we did refigure a few rooms since then.

### SPARE ROOM (current baby's nursery) ✓

- x2 windows
- wildflower juniper
- this is first bedroom on LHS of first landing and overlooking back garden.
- the windows are 2x2 panes

Silver chain  
~~white~~ brushed ends.

### GUEST BEDROOM (when Stephen was out I think we might have referred to this as office) ✓

- x2 windows
- wildflower porcelain
- this is only bedroom front facing on first landing.
- the windows are 2x2 panes

### JACKSON'S BEDROOM (think Steohen may have this noted as guest bedroom) ✓

- x2 windows
- Parker Cherry top portion (with white lines running vertically)
- bottom panel in Jura Ocean Blue (I am happy to take your recommendations as to width of blue panel)
- this is second bedroom on LHS on first landing and overlooks back garden.
- windows are 3x2 panes (larger than other 2 rooms)

Wrap + brushed ends.

### DOWNSTAIRS BATHROOM ✓

- Jura pistachio
- I think we had chatted about fitted bronze end pieces but as bathroom fixtures will be highly polished chrome perhaps this would be a better choice?
- Stephen's drawing would originally show this window as having wrap around panelling on bottom half meaning any full width recessed blind would not be able to be fully pulling down. We have now had this panel removed so window width is same all the way down now. I hope this makes sense!

Shiny  
~~brushed~~  
brushed ends.

### SNUG/FAMILY ROOM

- 4 current Roman blinds to have safety cords fitted/adjusted for. £15 each ,

I would like to thank you again for your assistance last Tuesday in choosing fabrics and am excited blinds will be fitted before Christmas.

Should you need any additional information please do not hesitate to let me know.

Kind Regards'  
Sharon
