Thanks Allison – we are happy to proceed based on the sample provided, in 'Arctic White'. We would hope to get these works progressed in February (although I'm not available the first weekend to be here, so would be looking at Saturday 8th February onwards). I realise though that there'd be a lead-in time so perhaps you could advise on this.

Kind regards

Bernadette

Good Morning Bernadette

Hope all is well

No problem I have put a sample card in the post for your attention today.

Yes we would submit RAMS before the works commence. I can confirm that the works would be outwith normal working hours and we will take away and dispose of the old blinds.

If you need anything else just let me know.

Kind Regards
Allison

Thank you Margaret – we are happy with your quotation, but I wondered if it's possible for us to receive a sample of the material (or is it only available for viewing within your sample book)? Our Director would like to see it.

Also, please confirm the following:

- 1 RAMS will produced and sent to our office no later than one week before the works commence.
- 2 The works will be carried out during weekend hours.
- 3 Rainbow Blinds will take care of the removal and disposal of our current blinds.

Kind regards

Bernadette
