Hi Allison

this is going ahead can you courier the fabric to us so we can have it printed in time for you to collect next Thursday, if we have it by Mon or Tue next week that would be fine.

The larger blind we will need to print on it's side as the max width of material is 1600mm that goes into the printer and you will need to make a join at the top, presume this is okay - Hope it makes sense

kind regards
Lorraine
