Hi Tom,

Further to the email received below, the existing blinds could be removed and altered to suit the new widths once the partitions and folding walls have been installed, we would come and remove the blinds and wall brackets to allow the partition works to be carried out, once the partitions were built we would return to site to survey the new blind sizes, we would then alter the blinds and return to site to refit, all works would be programmed to suit your works schedule.

12 nr blinds to be removed and altered £780.00 plus Vat

The above cost would not include the replacement of any damaged or broken parts that may be required.

Best Regards

Stephen Boyce | Contracts Manager
