Hi Allison

We have approval to progress with the Blinds, as suspected they are now looking at the Ladies areas

We will send out dimensions to get return of costs hopefully tomorrow

In meantime can you accept this email to progress order and we will get P/O issued

Kind regards meantime

Colin

Rod

Can you see if you can get dimensions in the Ladies Locker area

Cheers

Hi Allison

As discussed, are you able to give me a quick quote to supply these Blinds for the Gents Locker Room at Gleneagles Hotel Dormie Clubhouse

We are currently on site doing a quick refresh of the area and the existing Window Blinds are now looking a bit shabby and the Client is looking to get these replaced

Would you supply and Fit., alternative would be to supply only as we have Labour on site that can install etc

The Details, Dimensions below are Hard sizes (please allow standard clearances) – 4 no White Fabric Roller Blinds with noted Pull cord handing as below

Viewed from inside Elevation starting far left

Blind A 1780drop 1150 w cord left hand
Blind B 1780 drop 1142w cord right hand
Blind C 1780 drop 1142w cord left hand
Blind D 1790 drop 1147 w cord right hand

Ideally we would need them on site and Fitted this Friday 21st Feb

There may be some further Blinds required when we start the Ladies Locker Facility next week (2 week refurb period and we will advise accordingly)

Any issues or queries please give me a call

Kind Regards

Colin

Importance: High

Morning Colin.

I met with Rod this morning to see how things stand at start of week 2.

Painterwork all complete now and looking sharp.

What this has highlighted though are the existing roller blinds on windows which are looking very beige and slightly dirty against the fresh white paint next to it. The photos don't do it full justice, there is quite a significant colour clash. Can you advise cost please to replace these with a plain white? There are 4no @ approx. 1100mm wide – though these would need to be properly site-sized prior to going into manufacture.

Thanks, Ross

Ross,

Things are progressing as planned.

Floor strip complete.

The decorations should be complete by Sunday

Rod has installed the hanging locker and will have the rails on site Monday.

The benches are progressing in the workshop and spray shop.

Carpet is arriving with us on the 18th and will be installed on the 19th and 20th .

The signage backboards have been sent to the sign writer and we expect these back on Monday for rod to install.

Rod can start putting the clocks TVs etc back up next week will the guys be available to put up the pictures with the security key?

Kind regards,

Paul Strachan

Ideal thanks.

I met with Rod yesterday who gave me update, but can you provide quick summary of progress after Week 1, please?

These are such short programmes that it is useful to pause, take step back and make sure everything is on track.

Thanks, Ross

Morning Gents,

See below from Chillforce who attended the male changing room at the above on Wednesday: -

There is 2no. large VRV/VRF systems that is for the whole building.
The changing room responded correctly to the changes on the controller.
The filters where clogged so Scott gave them a quick clean.

Thanks,

Craig
