**Subject:** RE: Awning Repair

Hi David,

Thank you for sending through the photos, the only damage that is apparent on the awning from the photos is the LH front lath end cap is broken, we may not be able to replace this without knowing the manufacturer, the front lath is needing realigned with the arms and the cover and valance are needing straightened, please find below our cost to repair.

To realign lath with arms, straighten cover and valance, level and adjust.

Total Cost £480.00 plus Vat

The above cost does not include for any replacement parts.

We hope this meets with your approval and we look forward to hearing from you at your earliest convenience.

Best Regards
