**To:** Stephen Boyce  
**Subject:** Spreader Quotation

Good morning Stephen

Thank you for your enquiry & phone call, just to confirm the cost of each mild steel spreader 60x40x930 long is £80.00 plus vat per bracket with carriage costing £28.00 plus vat for a business address if private its £36.00 plus vat. All brackets once fabricated are shot blast, zinc & then powder coated to any RAL colour of your choice. Our current lead-time is 7-10 working days from date of order.

Kind regards

Keith

Yours faithfully  
 markilux UK Ltd.

The mentioned approximate production times refer to a systematically calculated production period, which assumes a regular production flow and a functioning supply chain. We cannot rule out the effects and possible delays in delivery caused by the Corona pandemic. We are doing everything in our power to maintain the regular production process and supply chain.
