

Price Schedule - Supply and Delivery of Materials for North Lanarkshire Industries (NLC-CPT-20-024) - Lot 8 - Window Blinds

Prices

Tenders are required to complete all cells highlighted in Yellow.
 Tenderers must provide a "Tendered Unit Rate" for all items listed. Failure to do so may result in a Tender being deemed incomplete and excluded from the Procurement.
 Prior to completing the Pricing Schedule, Tenderers are encouraged to review and familiarise themselves with conditions 5 and 6, section 4 of the ITT.
 Prior to completing the Pricing Schedule, Tenderers are encouraged to review and familiarise themselves with Schedule 2 of the document entitled "Framework Agreement- NLI Materials (NLC-CPT-20-024)".
 All costs / rates tendered must be provided in in Pounds Sterling exclusive of VAT and in accordance with condition 14 of the Framework Agreement Terms and Conditions and condition 21 of the Call-off Conditions of Contract.
 All costs / rates must also be fully inclusive of packaging, delivery and any other cost. The Council will not be held responsible for any additional cost that may arise.
 Annual Quantities and Value of Non-Core spend stated are only estimates. Suppliers shall be aware that the Council offers no guarantee that any level of business or continuity of business will be transacted under the Framework Agreement and the Council shall not be bound to place any orders or to provide continuity of orders under the Framework Agreement.
 Tenderers are required to return the Pricing Schedule in the same format and structure as issued by the Council i.e. in MS Excel Format.
 Failure to complete as instructed and / or return the Pricing Schedule will result in the Tender being excluded from the Procurement
