FAO Robin Cookson

Ref: Somerleyton Road, Brixton, Ovalhouse, Block B

Dear Ms Cookson

Further to your recent enquiry we have pleasure in confirming our tender sum to supply and install the blinds package at the above site. The blinds shall be manufactured in the following systems and fabrics.

RM07 and RL07 roller blinds with detachable crank operation. The covers shall be manufactured in the specified fabrics with exception of the Serge Ferrari Soltis Perform fabric as this fabric does not come in a wide enough width to manufacture the blinds without joining the fabric.

Umbra Kurolok cassetted blinds with detachable crank operation with the covers manufactured in the Spectrum 1010 PVC range of flame retardant materials. The system hardware shall be in the white PPC finish as standard and the sides shall have the zip fabric retaining system.

**Tender Sum £50,983.28 plus VAT**

The above costs are based on one site visit to survey and installation being carried out during one visit to site. Should this project be carried out in phases this may affect the cost.

Yours faithfully,

Stephen Boyce,  
Contracts Manager.
