Dear Sir

Further to your recent enquiry we have pleasure in submitting our tender sum to supply and install the blinds package at the above site.

Due to the distance between the trusses we cannot supply and install the specified Silent Gliss 2195 system.

We are instead proposing the following alternative blind type from Silent Gliss. However this is entirely dependent on a detailed site survey to confirm if the installation is possible and therefore at this moment we can only submit a budget cost.

The alternative system is the Silent Gliss 8500 PE10 pleated blind system with motorised operation. Full specification details attached.

**Budget Sum £84,825.72 plus VAT**

We hope the above cost meets with your approval and look forward to hearing from you at your earliest convenience.

Assuring you of our best service at all times.

Yours Sincerely

Stephen Boyce  
Contracts Manager
