FAO Mr Jim Allenby

Ref: Electrically Operated Rooflight Blinds, BBC Scotland, 40 Pacific Quay, Glasgow

Dear Sir

Further to our recent visit to the above site, we have pleasure in submitting our quotation to supply and install electrically operated rooflight blinds to the 40 nr atrium rooflights. The blinds shall be manufactured in the C57-120T double box system with 3 nr systems per rooflight. The blind hardware shall be in the white or black PPC finish. The blinds shall have the tracker side channels. The blinds shall be operated via hard wired wall mounted switches linked to motor relays. The blinds shall be covered in the Roach range of flame retardant materials in your clients choosing from the range.

Tender Sum £149,212.00 plus VAT

We shall provide all wiring diagrams and electrical requirements to enable your electrical contractor to supply all power cables and feeds. We shall commission the blinds from a test lead. All final connections to the power supply to be carried out by your electrical contractor.

Should you wish to discuss this proposal further please do hesitate in contacting myself.

We hope the above cost meets with your approval and look forward to hearing from you at your earliest convenience.

Assuring you of our best service at all times.

Yours Sincerely

Stephen Boyce

Good afternoon Stephen,

Thank you for your earlier enquiry requiring a priced proposal from us.

As requested please find our proposal attached. I trust that all the details included within are clear and to your specification.

Should you have any queries relating to this proposal, please do not hesitate to contact your Account Team directly. On larger projects please do check with us on availability/lead time prior to agreeing installation dates. We will always strive to deliver to your requirements however some products/fabrics are under higher demand than others.

Kind regards
