Hi Rebecca

We couldn't put any other type of blind on these other than the pleated. However rather than them being perfect fit blinds we could manufacture them as freehanging pleated blinds. The only thing is that on the 2 outside shapes the blinds would get to the slope and not go any further. The middle one would go fully up. I have attached a picture but I am sure you know what I mean anyway. This really does bring the price down as there are no frames involved.

Revised cost for freehang pleats (still in the Festival ESP) £406.80 plus VAT (includes delivery)

Let me know what you think

Kind Regards
Allison

Hi Allison,

Preferably 3 separate blinds, can this be done with angled windows?

Hi Rebecca

No problem I can give you a cost for verticals but can I check the sizes for verticals? Will this space take a headrail straight across all 3 windows or do you want 3 individual verticals?

Many Thanks
Allison

Hi Allison,

Sorry for not getting back in touch – it's been manic and now getting sick of the building paper on the windows.

They are little bit out of budget, how much would be for vertical blinds?

Kind Regards,

Rebecca Cooper

Hi Rebecca

Very nice, hope everything goes to plan.

No problem please find below the cost to supply and deliver these blinds. We would have to manufacture these in the Perfect Fit International system with has larger frames as the standard perfect fit cannot be used on shapes. Prior to manufacturing we would also need the glass sizes (not sure if this is what you meant by daylight sizes), the bead depth and where the frame is going to sit (all inside the glass or overlap the frame). I have put the link for the Festival ESP below also as this is the fabric that we recommend works best on this type of pleated blind.

Total Cost £798.00 plus VAT (includes delivery)

I hope this helps, let me know if you would like to go ahead with these as we could have these ready pretty quickly for you in about 5 days.

Kind Regards
Allison

Hi Allison,

We are moving house at the weekend and looking for some blinds (left it a bit late), I am looking for a quote for the supply and delivery of the blinds.

We are looking for White (black-out) perfect fit pleated blinds as per the attached drawing/measurements if possible.

I am out of the office for the next couple of days although picking up emails if you need to get hold of me.
