Hi Murray

Sorry can I also confirm the colour for the 4910 roller blinds. We have note from the specification that these are Verascreen 1% but do not have a colour number. Are these in 003 the same as the verticals withing the care hub?

Many Thanks
Allison

Good Morning Murray

Hope all is well

When Jamie was on site he was told to take the sizes for 7 roller blinds in Teaching space 1.2 but the bill page was originally only for 6. Should you wish to proceed with the extra roller blind there will be an additional cost of £289.12 plus VAT.

Please confirm if you wish to go ahead to allow these to go into production.

Many Thanks
Allison

Hi Warren

Further to your call earlier, please find attached confirmation of the Andrea 3D Wave blinds, and the proposed colour sequence to achieve the 3D effect.

Also attached is an image we had prepared for the College showing the blinds in the room (B_02_Dumfries) and some close ups of another installation using the same colour sequence.

If Rainbow Blinds have any queries about this they can contact the Silent Gliss Rep Melanie Bain 07831 305395 (direct) or 01843 864503 (office.)

Melanie provided us with this information and I had understood it had been passed on to Rainbow Blinds but I now understand this is not the case.

Kind regards

Emma Miller
