FAO Mr Andrew Coyle

Ref: University of Glasgow, Lot 3, CTCTAH

Dear Sir

Further to your recent enquiry, we have pleasure in submitting out tender sum for the supply and installation of the following items.

Umbra Kurolok cassette blinds with side zip channels. The blind hardware shall be in the white PPC finish and shall come with fixed crank operation. The blind covers shall be manufactured in the Spectrum 1010 range of flame retardant blackout materials.

System 32 roller blinds with side control chain operation with the controls fitted to comply with current blind safety regulations. The blind covers shall be manufactured from the group C range of flame retardant materials.

Umbra Kurolok twin rooflight system with electric RTS operation. The blind shall have side zip channels and all hardware shall be in the white PPC finish. The blind covers shall be manufactured in the Spectrum 1010 range of flame retardant blackout materials.

Lasermet laser blocking blackout curtain to suit track dimensions, complete with rail and all associated fixtures and fittings.

**Tender Sum £13,534.60 less 2.5% MCD Plus VAT**

All wiring to blind position and final connections to be carried out by others.

We hope the above cost meets with your approval and look forward to hearing from you at your earliest convenience.

Assuring you of our best service at all times.

Yours Sincerely

Stephen Boyce  
Contracts Manager
