Hi Elizabeth,

Further to your email to our sister company requesting details on an exterior awning system, the dimensions listed would require the system to be in a heavy duty system due to the width and projection, please find attached brochure on the Markilux 1600 Semi-Cassette system and the Markilux 5010 Full Cassette system, both shall have electric remote control operation and covered in the Sunvas or Sunsilks ranges of material.

Markilux 1600

6500mm wide x 3500mm projection, Electric RTS Operation, Sunvas or Sunsilks
 Material. Approximate Cost £4050.00 plus Vat

Markilux 5010

6500mm wide x 3500mm projection, Electric RTS Operation, Sunvas or Sunsilks
 Material. Approximate Cost £5695.00 plus Vat

Should you require a Vibrabox wind override this would add an additional £156.00 to the above costs.

Please do not hesitate in contacting myself should you wish to discuss the above proposals further or to arrange a site visit to confirm sizes and cost.

Best Regards

Subject: Patio Awning

Hi,

We're looking for a patio awning, about 6.5m wide and up to 3.5m deep that's retractable, preferably waterproof and electric. Are you able to provide a catalogue and prices please? We live near Cupar in Fife.

Best wishes,
Elizabeth
