Good Morning Matthew

BOS, Greenock.

We have been to site to carry out the survey. A new Silent Gliss remote is required and will need to be programmed into the roller blind. The cost for this will be as follows.

£265.00 plus VAT

Just let me know how you wish to proceed. _____

Kind Regards
Allison

Sorry I was wanting to speak to the estimator, we have prices rollers and made them reversed rolled so that the windows can open, however verticals would just fit in the space but the windows would not open at all
Can you let me know if you still want the verticals priced.

Subject: Bright A Blind Survey Request, Ref: NS14406288, PA15 1XG

Good afternoon, hope you are well.

I have had a survey request from a client in PA15 1XG that has a missing remote control. They need a replacement one which will require a survey. How much for a survey and when would you have available to survey? Also who would the surveyor be and what time roughly will the survey be?

Thanks

Kind Regards
