Dear Sir

Further to your recent tender enquiry, we have pleasure in submitting our tender sum for the supply and installation of the blind package at the above site as follows.

The specification is for Silent Gliss 4930 rollers in Triscreen screen material, both of these items have been discontinued and the equivalent specification will be Silent Gliss 4830 rollers with Dualscreen 5% material but due to the sizes these can be value engineered by using the smaller 4910 system.

Silent Gliss 4830 roller blinds with side control chain operation with the controls fitted to comply with current blind safety regulations. The blind covers shall be manufactured in the Dualscreen range of flame retardant materials.

4830 System Cost £8,632.05 plus VAT

Silent Gliss 4910 roller blinds with side control chain operation with the controls fitted to comply with current blind safety regulations. The blind covers shall be manufactured in the Dualscreen range of flame retardant materials.

4910 System Cost £6,980.74 plus VAT

We hope the above cost meets with your approval and look forward to hearing from you at your earliest convenience.

Assuring you of our best service at all times.

Yours Sincerely

Stephen Boyce
Contracts Manager
