I've spoke to the customer and she's happy to go ahead with the 2 normal ones being cord controlled and will just be £480 off the total price.

Thank you

Hi

The minimum width for motorised venetians is 515mm.

Blind 1 & 5 on this order are below the minimum size so we can't manufacture these as they are too small for the motor and the components to fit in the rail.

Please advise?

Kind regards,

Jennifer Swankie
