Hi Cristiano,

I hope you're doing well!

No problem at all.

The awning attached which is sized up @ 10% scale, shows what the logo would look like as W1400 x H1220mm - which I think is a good size for this awning.

Do let me know if you have any edits required.

Best,
Michael

Hi Michael,

We are organising a new awning for Chateau and we were hoping if we provide the size of awning you would be able to help us with sizing Chateau X logon on the awning to send away to print.

The size of the awning will be 5.2m wide and 2m projection.

Thanks again,

Kind Regards,

Cristiano Simeone
