## COVID-19 SAFE PROGRAMME

At Collidene Care Home we are using data-driven technology to protect our residents and team members and to make our care homes COVID-19 safe.

The COVID-19 Safe Programme is backed by our unique digital IMPaCT Audit tool and Care Portal reporting system. This ensures the highest standards of infection control and cleanliness in all of our homes.

With daily monitoring of both local and national infection rates, public health data, and our own digital systems, the COVID-19 Safe Programme remains responsive to the ever-changing situation.

It has been designed to give you peace of mind and to ensure that our residents remain effectively cared for and supported by our highly professional and dedicated teams in a safe environment.
