Hi Louise,

Please see attached your quotation for the blinds. Lead time at the moment is roughly 3 weeks. To proceed with the order, we would require a 50% deposit with the remaining 50% due when booking in the install date.

The printers have also come back to us and advised for the logo we would require a vector file as what you have sent is just a low-resolution JPG and this will not transfer and look good on the blinds.

I have also attached the image for logo positioning. Just let me know if you are happy with it or if you want any adjustments.

Anything else I can help with just let me know.

Kind regards,

Graeme McNeil

Dear Graeme

Happy to go ahead and should get the vector file over to you later today or tomorrow.

Can you send your invoice meantime and we can arrange payment.

We note the three week turnaround time and will keep our fingers crossed that the blinds may be ready sooner!

Kind regards,

Louise

Hi Graeme

That's great, thank you.

The three blinds downstairs should have the logo to face into the room and the blinds upstairs should face outwards onto the street.

We plan to see clients downstairs for now so don't need the one on the stairs just yet but thanks for taking the time to measure.

Kind regards,

Louise

I have just spoke to Ronnie who measured and he said he wasn't asked to measure the one beside the door on the way upstairs it was only the big shopfront window and the one next to it. He has measured the two glass offices that's the one I have. Are there any time suits I can get someone to get that last size for the quote?

Dear Graeme

Further to my email below, I'm told your estimator took measurements for the third window downstairs. There is a window in each of the two glass offices and then a third which is beside the door which takes you upstairs.

Hopefully you've got the information to quote for the seven windows with logos.

Thanks,

Louise

Good morning,

Our estimator has taken sizes for a big window at the front and also a side one. Are you not wanting a price for both of those or do you still want the side window done? Just to confirm if that is the case we have other windows measured which are as follows –

An office with 2 windows

2 top offices with 2 windows in each.

So that will be 6 windows in total all 6 with logos?
