Good Morning Stephen

My engineer (Colin) was in touch with you in Jan (see below thread) . We have now completely erected the pergola and would like to look at the possibility of installing on top a retractable roof as discussed with Colin. I am very keen to move this on as quickly as possible so that our customers have a covered space should it rain which is more often than not in Edinburgh

Would you be kind enough and give me a call as soon as you can to discuss , my mobile is 07710414427

Kind Regards

Hello Stephen,

We were speaking a moment ago, principally regarding the roof pitch with respect to Warranty. As promised please see some photos of the site near the north end of Candlemaker Row in Edinburgh. The site address is noted on the attached Location Plan. I look forward to hearing from you after you've spoken with Markilux.

Kind Regards,
Colin Eastwood
