2. Deposits

A deposit may be required for certain orders.

All deposits are non-refundable once the order has been placed.

3. Customer Responsibilities

Any changes made to windows or recesses after a quotation has been provided must be communicated to Sunshade Blinds Ltd prior to placing the order.

Failure to disclose such changes may result in delays or additional costs.

4. Product Warranty

A 1-year warranty is offered on all internal blinds and shutters. This covers faults in materials or workmanship but excludes misuse or damage.

A 5-year warranty is provided on awning components only. This warranty does not cover corrosion or fabric deterioration.

Awnings must be used with care and should not be operated in high winds or extreme weather conditions. Misuse will void the warranty.

5. Damaged Goods

Any items found to be damaged on delivery will be replaced at the earliest available opportunity. Please notify us promptly.

6. Lead Times

Delivery times for plantation shutters are estimates only. Delays may occur due to shipping or customs, which are beyond our control.

7. Installation Terms

It is the customer's responsibility to ensure that access is available at the time of installation. Missed appointments or delayed access may incur additional charges.

Sunshade Blinds Ltd will take all reasonable care during installation but will not be held liable for any pre-existing structural issues or damage.

8. Cancellations & Changes

Once an order has been confirmed and materials have been allocated or manufactured, cancellations may not be possible.

Where cancellation is allowed, it must be requested in writing, and charges may apply for work already completed or materials ordered.

Any requested changes to an order must be made in writing and may affect cost and lead time.

9. Tolerances & Manufacturing

All products are custom made to the nearest millimetre. A tolerance of $\pm 3\text{mm}$ should be expected due to material and manufacturing variances.

Colours and textures may differ slightly from samples due to manufacturing batches.

10. Liability

Sunshade Blinds Ltd will not be liable for any loss or damage caused by delays in delivery or installation due to factors beyond our control (e.g. transport delays, supplier issues, weather).

Our total liability shall not exceed the value of the goods supplied.

11. Force Majeure

We shall not be held responsible for any delay or failure to perform our obligations if the delay or failure is caused by circumstances beyond our reasonable control (e.g. natural disasters, strikes, supply chain disruptions).

12. Insurance Advisory

Customers are advised to arrange appropriate insurance cover for high-value installations such as awnings or plantation shutters. Sunshade Blinds Ltd will not be liable for uninsured losses resulting from accidental damage, misuse, or weather-related incidents.

13. Governing Law

These terms are governed by the laws of Jersey and any disputes will be subject to the jurisdiction of the Jersey courts.

All the blinds and shutters in my house have been done by Sunshade Blinds. The guidance and advice has been skilful. The workmanship has been good and done with care. The blinds themselves are lovely. I would use them again.
