Morning Chris,

Surprising colour choice there – closest I can get is EX3750 just so you know.

The arched top will cost you £265.00 and the matching straight below £57.00 all with the privacy punching. Crating/carriage £60.00 and all plus the v.a.t.

Do allow approx 6 – 7 weeks now on delivery.

By the way I got asked for a 'Vegetarian blind' yesterday – any ideas on this? made me laugh though.

Cheers,

Angela
