Dear Mr O'Connor,

Quotation no. TS8054

Thank you for your telephone call regarding the quotation sent to you on 27th February. This flagged up an error in our system which has been passed to our software supplier for their immediate attention. Kirsty (who took your call) noticed that the make-up charge for your curtains seemed very low for three pairs and on further investigation it has been discovered that the software does not multiply the make-up charge for more than one pair, only the materials.

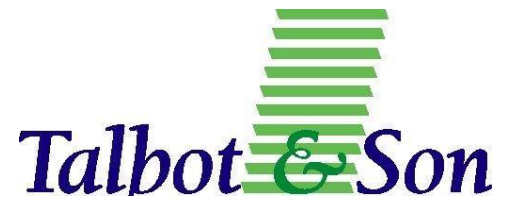

I have attached a revised quotation for your consideration and am pleased to offer a discount of 10% should you decide to proceed by way of apology for the error in your original quotation.

A deposit of 50% is requested should you decide to proceed with the order.

I thank you for your enquiry and look forward to hearing from you in the near future.

Yours sincerely

Hilary Talbot (Mrs)
