Dance Hall	Specials	If this quotation is accepted and the blinds ordered, the windows will have to be remeasured using a scaffolding tower; as accurate measurements and angles are needed to be taken for the apex of the large windows. This will be charged out at cost, and will be needed a second time to enable us to fit and commission the blinds, incurring two lots of charges. \n\nFollowing the final measure, a final quotation will be provided including a final fitting charge and a charge for electrical sundries required to finish the job to our usual high standards.	1	0.00	20%	0.00
