

**NEVER FALL
IN LOVE WITH
YOUR DESIGN**

@ismail_elazizi

This is you

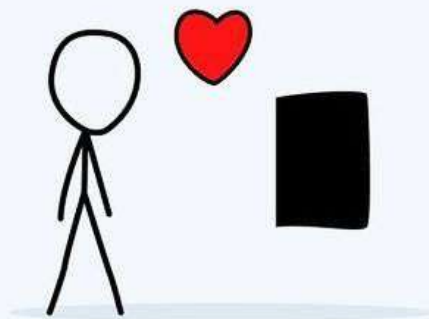

@ismail_elazizi

This is a design you made

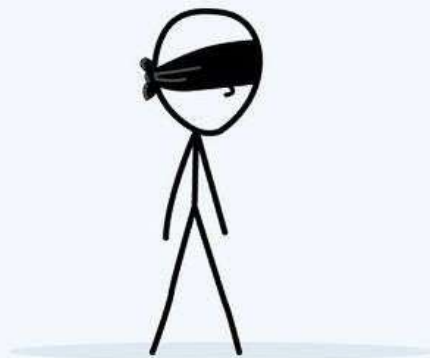

@ismail_elazizi

When you fall in love with it,

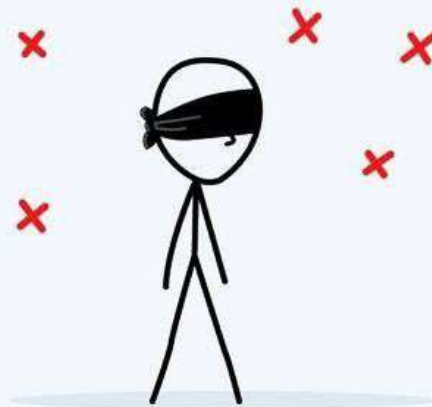

@ismail_elazizi

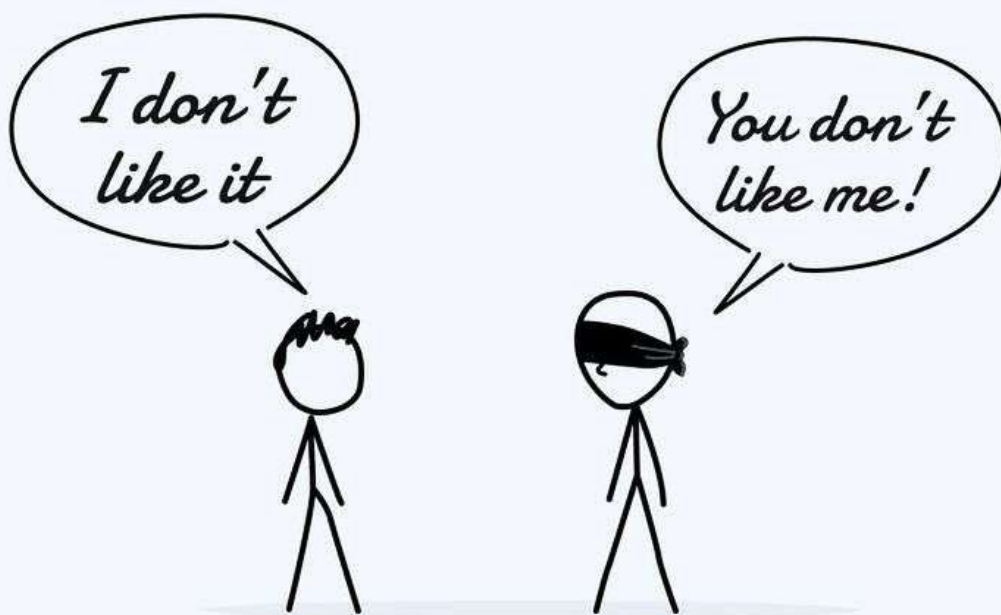

it becomes the blindfold on your eyes,

you become blind to its flaws

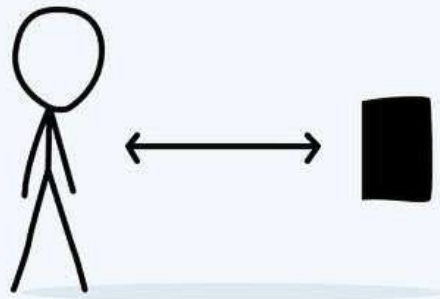

and feedback sounds like insult

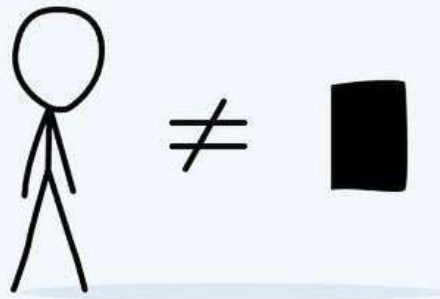

@ismail_elazizi

So learn to detach in
order to see.

@ismail_elazizi

You are not your design,
you are the **designer**

@ismail_elazizi

It's not "**yours**", it's "**a**" design
