## QUOTATION NOTES:

- You have been quoted for Vitendi Retractable Awning.
- Vitendi Awnings have been made using Solution Dyed Acrylic with Teflon coating
- Vitendi Awnings are supplied with standard frame Aluminum white with Manual Hand Crank Operation.
- Awnings installed against flat walls with no roof cover may allow water access between the wall and awning.
- Your front valance for Awning is noted to be a straight design (rectangle valance)
- Instructions for blinds dimensions have been advised by the client / under client's instruction and will be produced as such.
- Changes to Awnings dimensions post production will incur surcharges fully borne by Customer. Please contact us for any clarification on the above

### What is our best price promise?

If we are not the best price that you have found for any custom made blinds, insect screen, shade or related window treatment in our market, you can call us or speak directly to our CEO. We will verify your offered price by requesting you to show us your offer and if all specifications including installation are verified. We will match or beat the final price. We are allowed to void the promise if the price on the quotation you show us is of different quality product/type. Terms & Conditions Apply.

Minimum Chargeable Window Width/Height = 1 metre
