For this part of the order we need a Classic Z50 frame on the left and right and then a Classic L50 frame on the top and bottom.</p>	194.90

I also need to add a separate shaped shutter but can't work out how to order it. We need an arch shutter with a centre tilt bar. Width 1154, height 577. This needs to be Classic L50 frame on the bottom and then Classic Z50 frame for the arch. We would like this hinged on to the bottom if possible so it folds downwards. Hopefully this all makes sense and then we can approve it from the drawings. Thanks., M2: 2.022962, Battens QTY in CBM: 1
